4. Suggestion that the Sanitary Boards of the chief towns of the Federated Malay States be now called Municipal Boards: The correspondence on the subject having been circulated the Chairman asks for an expression of opinion. Mr. N. K. Bain proposes, and Mr. H. J. Cooper seconds, that the suggestion be not adopted in the meantime. The Board agree.

5. Revenue from private and trade water supplies to be credited to the Public Works Department: The correspondence having been circulated, as suggested at the last meeting, the Chairman states that acting on instructions from Government the revenue from private and trade water supplies will next year appear in the Estimates as Public Works Department revenue. The Sanitary Board is to be paid a commission the rate of which has not been fixed. Seremban and Kuala Lumpur are asking for commission at the rate of 10 per cent. Mr. F. S. Physick proposes and Towkay Foo Wha Cheng seconds the following resolution:

"That Government be asked to reconsider its decision with regard to revenue from private and trade supplies being credited to the Public Works Department since it does not appear that any useful result will be achieved thereby. It would entail extra book-keeping and would be liable to confuse the issue at a later date."

On a show of hands the resolution is carried.

In view of the above the Board decide not to consider the rate of commission for the present.

6. Suggested new scale of charges for water supplies: The members of the Board having had the correspondence circulated for their perusal, unanimously reaffirm the decision arrived at at the meeting held on 21st May last.

7. Application for water supply, Papan: The Public Works Department being unable to supply meters at present, the Board decide to recommend that a domestic water supply be laid to premises No. 54, Main Road, Papan, on the occupier agreeing to the payment of a flat rate of \$4 per mensem.

8. Storage in quantity of locally manufactured matches: The Chairman reads a letter from Malayan Matches, Limited, suggesting the rescission of Sanitary Board by-law 212 which requires that storage of matches in quantity shall be in metal-lined cases. The Board request the Chairman to find out the practice in Penang and Singapore and to bring the matter up again at the next meeting. In the meantime it is to be suggested to Malayan Matches, Limited, to arrange for storage in quantity outside Sanitary Board areas.

9. Minutes of meeting of the Town Improvement Committee held on 29th September, 1922: The Board approve of the minutes the principal items dealt with being as follows:

(a) Confidential letter with plans from the Government Town Planner;

(b) Towkay Lam Looking's application to build shop-houses in Jalan Datoh, Ipoh, is to be referred to the District Officer and Deputy Superintendent, Revenue Surveys;

(c) Applications for renewal of a mining lease, Kampar, and to build shop-houses at Kuala Dipang, respectively, are referred to the Chief Assistant District Officer;

(d) The Chairman is requested to communicate with the Government Town Planner with regard to the town planning of the Pasir Puteh and Tiger Lane areas.

10. Assessment rates for 1923: The Chairman informs the meeting that the Resident has approved of the assessment rates for 1923, under section 12 of "The Sanitary Boards Enactment, 1916," being as recommended at the special meeting of the Board held on 16th August last.

11. High price of mutton: The Chairman reports that he has interviewed the Director of Supplies from whom he learnt that while the local price could not be appreciably lowered, a better quality of mutton would be available if the Board, or some enterprising person, would purchase from Singapore the Government imported Australian sheep. The importation of such sheep was being considered by the Sanitary Boards at Taiping and Telok Anson. It is decided to bring the matter up again at the next meeting when the Chairman would be in possession of further information.

12. Fees for special permits for animals slaughtered outside the abattoirs: Owing to an abnormal number of permits for animals slaughtered outside the abattoirs having been issued, the Chairman states that he made inquiries as to the fees obtaining elsewhere and found that the fees in Kiuta were nominal compared with Kuala Lumpur and Penang. After consulting the Government Veterinary Surgeon he recommends a higher scale of fees. The Board being generally of opinion that the fees for slaughter at the abattoirs were also in need of revision, the Chairman is requested to go into the whole matter and submit his recommendations for consideration at the next meeting.

13. Flags lost at the Ipoh Club: The Chairman brings to notice that up to date he has been unable to obtain the replacement of two flags, the property of the Sanitary Board, which were lent, along with a number of others, for a function at the Ipoh Club on the 19th August last. He brought up the matter with some reluctance as in view of what has occurred, he would be compelled in future to demand a substantial deposit from an applicant for the loan of flags. The Board decide to postpone the discussion to the next meeting in the hope that during the interval a satisfactory settlement could be arrived at.

14. Questions by Mr. Cooper: Mr. H. J. Cooper asks the following questions:

(1) Whether the Board was consulted before the town was disfigured by the hideous concrete posts erected by the Electrical Department when iron posts of ornamental design could have been obtained at little extra cost?

(2) Whether the Board has been consulted as to the location of these posts?

(3) Whether the Board has been consulted before fine old trees in Brewster Road were destroyed to clear the line for the cables?

The Chairman states in reply to (1) that he was not in Ipoh at the time and, as far as he could ascertain, the Board was not consulted. The reply to (2) and (3) was in the negative. With regard to (2), however, the Chairman states that the location was decided upon by the Executive Engineer, the Assistant Electrical Engineer and himself. In the matter of shade trees that have been cut down the action was dictated by sheer necessity.

Mr. Cooper proposes the following resolution, seconded by Dr. Black:

"That in the opinion of the members present, this Board should have been consulted as to the type of post to be used for the electrification of Ipoh and consider that the present posts unnecessarily disfigure the town."

On a show of hands, seven support the resolution and six abstain from voting.

15. Question by Dr. Rogers: Dr. Rogers asks the following question:

"Is the Board taking or proposing to take any action in the matter of infant welfare with a view to reduce the excessive infant mortality that is known to exist within the Ipoh Municipal limits?"

The Chairman states that the Board are concerned chiefly with the health and sanitation of Sanitary Board areas. Any action by the Board in connection with infant welfare could only be taken at the request of the Medical Department.

16. Question by Towkay Foo Wha Cheng: Towkay Foo Wha Cheng asks the following question:

"The Ipoh Club padang being a public recreation ground was its use refused to the two football league teams playing on the 16th instant? If so will the Chairman inquire why?"

The Chairman states that the matter has already been the subject of inquiry. He has reason to believe that it was purely a mistake the refusal having been made without the cognizance of the General Committee or the Sports Committee of the Ipoh Club.

17. Question by Towkay Thong Lim Seng: Towkay Thong Lim Seng asks the following question:

"In view of the terrace of a shop-house being allowed to be used as a kitchen, is there any good reason why the covering should not be of corrugated iron instead of tiles which is being insisted upon?"

The Chairman asks Towkay Thong Lim Seng to make out a case for the consideration of the Board. Towkay Thong Lim Seng addresses the meeting and submits the following resolution seconded by Towkay Lee Ah Weng:

"That where in the discretion of the Chairman a kitchen is temporarily permitted on the terrace adjoining the first floor of a shop-house the covering over such kitchen may be of corrugated iron of such dimensions as may be approved by the Chairman and further, such covering shall be demolished on such kitchen being ordered to be removed."

The Board agree.

18. Commission for collecting electric light revenue: The Chairman informs the meeting that without consulting the Board it has been decided that the Board are to collect electric light revenue on payment of commission at the rate of  $3\frac{1}{2}$  per cent. It is estimated that this commission will amount to \$2,600 in 1923. The Board are generally averse to the system but leave it to the Chairman to ask for the staff he will need to carry out the additional work.

19. Proposed abolition of the Vehicles Department: The Chairman reads a letter wherein the Resident desires to know if Sanitary Boards could undertake the registration of vehicles supposing the Vehicles Department were abolished. The Board are of opinion that the work could be done subject to such revision of the staff as will without doubt be necessary.

20. The Board adjourn *sine die*.

IPOH,

19th October, 1922.

A. J. STURROCK,

Chairman.

#### No. 7315.—SANITARY BOARD, KLANG.—

Minutes of a meeting of the Klang Sanitary Board held at 10 a.m. on 21st October, 1922.

PRESENT: The Chairman (Mr. F. W. Douglas), the Executive Engineer (Mr. G. Sturrock), the Medical Officer, Coast (Dr. W. F. MacDonald), the Health Officer, Coast (Dr. W. J. Moir), the Assistant District Officer (Mr. E. T. James), the Assistant Commissioner of Police (Mr. H. B. Langworthy), H. A. Wootton, Esq., J.P., and Towkay Goh Hock Huat.

ABSENT: The Harbour Master (Lt.-Commr. R. C. Hayes, O.B.E., R.N.), the Dato Stia di Raja (Inche Abdul Razak, J.P.) and Dr. Malcolm Watson.

1. The minutes of the last meeting are confirmed.
2. A proposal to rename Sanitary Boards, "Municipal Boards" or "Town Boards" is considered: decided that either term would be suitable.
3. Attention having been drawn to the extreme difficulty in bringing carts close into the side of the roadways in Station and Rmbau Streets, the Board approves the proposal to raise the edge of the drains and the adjoining parts of roadway, and authorizes the Chairman to apply to the State Engineer for funds.
4. A petition from ex-conservancy coolies is read appealing against deductions from their wages having been made to recover the amount of conservancy fees solicited by them from the public. The Board approves these deductions.
5. Decided that after the Chinese New Year the use of spring balances on all market stalls should be enforced.
6. The service of a notice upon one Kassim to demolish an attap shed erected on section 15, Klang, and notices upon the owners of certain insanitary attap houses on the same section is authorized.
7. Decided to call upon the owner of the land upon which the Roman Catholic Church is built to construct a culvert under the drive to allow the surface water to flow into the roadside drain.
8. The insanitary condition of the four blocks of shop-houses where Rembau and Main Streets cross gives rise to discussion. Decided to apply for a closing order, to become operative on May 1st, 1923, against lots 3 to 10, section 4, and lots 14 to 18, 37 and 38, section 1, and to call upon the owners of lots 11, 12 and 13, section 3, lot 14, section 1, and lots 7, 9, 10 and 11, section 2, to submit to the Board a scheme, before the end of the year 1922, to abate the insanitary condition of their houses caused by absence, or inadequacy, of open spaces.
9. The Chairman is authorized to apply for a demolition order against Nos. 41, 43 and 45, Rembau Street.
10. The notices served upon one Abdullah to demolish his attap houses on lot 28, section 1, Port Swettenham, not having been acted upon, the Board decides to demolish the houses after giving one month's notice.
11. The Executive Engineer reports that there is still a shortage of water and that, though the Kapar district is now getting its normal supply, the supply to Klang and Port Swettenham is still restricted to the hours between 6 a.m. to 6 p.m.
12. Owing to the shortage of water in Klang town and consequent low meter readings during the month of September, the Board decide that private supplies by meter be charged, half the rates they paid in August, or the registered meter readings for September, whichever is higher, and that, where water is supplied on a flat rate, one-half the rate be charged for September.
13. Decided that the assessment rates for Batu Tiga and Kapar for 1923 shall remain unaltered, and that the Board considers that the present rate of 10 per cent. on all vacant land is sufficiently high and that no further rate under section 13 should be imposed.
14. A minute of the meeting of the Malarial Advisory Board regarding roof gutterings is read, and it is decided to pass no plans showing roof gutterings or parapets along the eaves.
15. Decided to use Yeoh Guan Hup Street as a stand for eight hired cars, and to call upon the Klang Hired Motor Society to remove their shed from the stand near the market.
16. Decided, upon the recommendation of the Assistant Commissioner of Police, to cancel the eating-shop licence of 102, Sungei Binjai Road.
17. Agreed to transfer the licence for the new Visible Petrol Supply Station to Messrs. Hock Ban Seong & Co.
18. Agreed to allow Rasoolbhoy Allibhoy to erect four houses with a frontage of 19 feet each, the corner house in the row to have a frontage of 24 feet, and the land to be re-subdivided accordingly.
19. It having been pointed out that section 4 (p) gives power to the Board to control traffic overbridges, the Board passes the following by-law restricting the use of Belfield Bridge by pedestrians to the side-walks:  
"No foot passengers shall be allowed to use the centre passage of Belfield Bridge without special permission of the Chief Police Officer and all foot passengers crossing the Bridge shall use the footpath on their left hand side. Any person contravening this by-law shall be liable, on conviction, to a penalty not exceeding ten dollars."
20. Decided to erect a shelter at Simpang Lima for the policeman directing traffic there.
21. Register of notices and prosecutions laid on the table, Mr. Wootton draws attention to a summons which has been served on him. The Chairman regrets the misunderstanding and decided to withdraw this. *Re* the application for summons against nine landowners in section 31, and certain reports sent to the unofficial members for their information concerning licensed premises to be put in order, Mr. Wootton suggests that possibly the Board

is expecting too high a standard and that prosecutions are too drastic. The Chairman points out that he sent these reports to Mr. Wootton so that unofficial members could see for themselves what was being required before notices were issued—as for prosecutions, the following figures prove that the present policy of the Board is only to prosecute in the last resort—out of 180 notices approved and issued against landowners in section 31, all have been complied with except 9. During April and May there were 79 applications for prosecutions and during June–September inclusive 20.

22. Health Report: The Health Officer's report on the health of Klang and Port Swettenham for the month of September, 1922, is submitted:

Papers dealing with motor lawn mowers together with further replies and price lists from two English firms were laid before the Board and discussed. The Chairman informed the Board that it would be possible to purchase one machine from upkeep vote in 1923, a reduction of the labour force would have to be made when the machine arrived and was working. The Board after discussion decided to recommend the purchase of one motor lawn mower in 1923.

The Chairman reported that the village of Ulu Beranang was growing, there being now twenty attap shops and suggested that this area be gazetted under section 51A of the Sanitary Boards Enactment.

The Board agreed.

Papers dealing with by-law 83 were laid before the Board. Chairman informed the members that it was considered desirable that the by-law which dealt with the licensing of stables, pig-styes and cattle sheds, should be repassed, under section 4 as amended by section 2, Enactment 17/1921. Chairman mentioned that, under the Negri Sembilan by-law, no fees were chargeable for any such licence. The by-law was then passed.
